Cantor Colburn Repeats on Top Patent List

Hartford intellectual property law firm Cantor Colburn LLP got 1,841 utility patents and 91 design patents from the U.S. Patent and Trademark Office in 2010, ranking again as one of the nation's 20 busiest patent law firms, Intellectual Property Today reports.

The firm's issued patents were up 26 percent from 2009, the magazine said.

Cantor Colburn was ranked No. 9 on the magazine's latest list of "Top Patent Firms," and is so ranked for the fourth consecutive year.
